Docket No.: 4:09CR00454-001  
Reg. No.: 43652-279

Dear Judge Atlas:

The above-referenced individual was sentenced in your court on April 29, 2010 to a term of 41 months imprisonment for Conspiracy to Commit Fraud in Connection With Access Devices, Fraud In Connection With Access Devices, Fraud in Connection With Identification Documents and Aiding and Abetting. He was subsequently designated to serve his sentence at the United States Penitentiary at Beaumont, Texas.

On December 30, 2011, Mr. Neuwirth was transferred to Ladel Residential Reentry Center (RRC), 1819 Commerce Street, Houston, Texas 77002, to complete the remaining portion of his sentence.

On May 1, 2012, inmate Neuwirth walked out of the RRC without permission and did not return. RRC staff initiated escape procedures, which included notifying his family members; however, Neuwirth remains unaccounted for. At the time of his escape, he had a projected release date of July 11, 2012, via Good Conduct Time.
